

ADDENDUM No. 1

TO: ALL BIDDERS
FROM: CITY OF HIALEAH
BID #: 2013/14-9500-00-018
RE: HIALEAH ROWTP – Access Road Improvements NW 154th Street and NW 102nd Avenue
DATE: JUNE 18, 2014

The original contract documents for the entitled: **HIALEAH ROWTP – Access Road Improvements NW 154th Street and NW 102nd Avenue** needs to be amended as noted in this Addendum No. 1.

This Addendum No. 1 consists of 1 typed page, 1 attachment, and 1 addendum receipt form (ARF). All other items and conditions of the original Contract Documents shall remain unchanged. This Addendum shall become a part of the Contract Documents.

Approved for issue:  Date: June 18, 2014
Angel Ayala – Acting Purchasing Director

ACKNOWLEDGMENT

Receipt of this Addendum No. 1 shall be acknowledged in the space provided on the ADDENDUM RECEIPT form – ARF (Copy attached) now a part of the Contract Documents to be faxed immediately to the City of Hialeah Purchasing Division (305) 883-5871 and submitted with sealed bids.

Milian, Swain & Associates, Inc. (MSA) has reviewed the RAI's received from the bidders. See MSA responses as follow:

1. The bid form provided does not indicate any quantities for the bid items. Will the city provide them? I believe that in order to have a competitive and fair bid, the city should provide these quantities. Please clarify.

Please see addendum 1 for the revised bid form including the quantities for the bid items.

2. Typical Sections (Sheets C-1 to C-4) indicate sod, but the bid form does not have a bid item for sod. Under which item we should include the sod? What type of sod will be required? Please clarify.

Please see addendum 1 for the revised bid form including sod as one of the bid items. The sod to be used is Pensacola Bahia.

3. Bid Item E (Contingencies) does not have a quantity assigned. How will the contractor calculate this item

The Contingencies will be 20 % of the total cost.

4. For the clearing and grubbing item, shall be considered from R/W to R/W on both roads, or shall be considered using the typical sections (Shts. C-1 to C-4), which include only the sections of the proposed new road up to match existing? Please clarify.

The limits of clearing and grubbing are determined by the typical sections provided on the plans, sheets C-1 to C-4.

5. Is this a lump sum or a unit price project?

The project is a unit price project.

6. What is the budget for the project?

The estimated amount is \$2,150,000.00

7. What type of filter fabric will be allowed to use? Woven or non-woven?

The filter fabric to be used for the exfiltration trenches shall be non-woven and from the approved filter fabric for exfiltration trench list from Miami-Dade County Public Works Department.

8. Is it required to install an asphalt apron around all the catch basins?

Yes, as per bid access road improvements plans.

9. Who will pay for density tests?

The City of Hialeah Public Works Department will pay for the density tests.

10. At how many feet apart are the density tests required?

As directed by City of Hialeah Public Works Department and inspector.

11. Can you please provide a copy of the plans in PDF?

Plans are not available in PDF. Contact Luis Suarez @ 305-883-5857 on how to obtain the bid documents.

12. The boring log analysis report recommends to remove organic material between borings B-8 & B-9 from 4' to 6' below ground surface. Also, to remove 3.5' of organic material between B-10 & B-11. On the bid form, Item #3 calls for a different depth of removal. Please clarify.

Two (2') feet was considered to be removed by the clearing and grubbing, deducting from the total of organic material that needs to be removed from boring log analysis report.

13. The cross sections shown on the plans have limits of excavation. Are they going to be applied on the entire project? If so, will Item, #4 (Embankment) be used to backfill this specific excavated material?

Yes, Item #4 will be used to backfill specific excavated material.

14. On the Section of Marking, the Contractor must include the Paint Striping or the City is asking only for Thermoplastic?

All paving and marking shall be thermoplastic for this project.

HIALEAH ROWTP – Access Road Improvements NW 154th Street and NW 102nd Avenue
